

# Molasses Release Expected Soon for Grasshopper Bait

## To be Mixed With Poisons in an Endeavor to Exterminate Farmers' Worst Insect Pest

The government has deemed it worthwhile to release to farmers a war-scarce food, which, if the sweet tooth of grasshoppers maintains its craving, will possibly lead these destructive pests into a lot of trouble before the summer is out.

The Foods Administrator of the W.P.T.B. has made it possible for farmers to obtain molasses for use in poison-baited baits.

Hoppers are mobilizing in alarming numbers on the outskirts and in cultivated areas throughout the district, and regardless of frequent rains, they still remain the chief threat in the realm of pests to the man on the land, according to Mr. Ward.

It is hoped that the molasses will prove a service to ground crops this summer. As the pests attack the cultivated areas they become satisfied with the moist, tasty vegetation, and consequently extra inducement is needed to their seemingly endless devouring capacity.

If molasses proves to be the answer it will wipe out a lot of the pests.

Mr. Ward said that the rains have held down the development of the pest to a certain extent, but as soon as the sun re-appears they become as active as before. Some are flying, he said, which is an ominous indication that they will soon commence to plague the district in huge swarms.

Many farmers were in hope of securing baiting machines in time to combat the pests before they had reached the dangerous stage, but due to war priorities, and shortages of metals, the machines ordered did not arrive until recently, Mr. Ward reported.

In the Commongage area a machine has been obtained and will be used in a co-operative program of control among the farmers in that district. The Commongage was one of the most seriously infested areas last summer, when the first plague since the 1920's broke out.

Some ranches have built their own bait spreaders and are attempting to control the pest independently.

# Rotary Park Chief Project of Club

Rotary Park—the acreage adjoining Police Park—acquired some years ago—formed the chief subject for debate at Monday's meeting of the Rotary Club in the National Hotel.

This property, for which the Rotarians raised \$1,200, will continue to form the chief project for members, according to a resolution adopted by the club following debate. No major improvement is contemplated for the immediate future. Rotarians considered but did not adopt a suggestion that the property be turned over to the city.

New officers, headed by J. N. Taylor as president, will take over at the first meeting in July. The retiring president is Gordon Lindsay.

# Lack of Interest Delays Reconstruction Program

## Plans Hanging Fire Owing to Poor Attendance at Initial Meeting Here

As Canadians fight and die on the beaches and cliffs of Normandy in the last chapter of the war against Hitlerism, a group of Vernon's leading business men and industrialists met on Tuesday morning to discuss a reconstruction program designed to provide proper rehabilitation for some of those gallant men. They were obliged to postpone the business due to poor attendance.

Out of 20 men notified of the meeting, only 12 turned up. A number of opinions were expressed that the session called at an inconvenient time, but others were outspoken to the effect that the reason behind the lack of support was due to insufficient enthusiasm, or greater interest in matters other than the rehabilitation of the men fighting for the preservation and freedom of this country.

"Some people seem to think that fighting is more important than the welfare of this district and the welfare of the returned soldiers," declared I. P. Coombes, secretary of the Vernon Board of Trade.

Lack of enthusiasm was evident, and Walter Bennett, president of the Board, because I saw one of the notified men in a cafe before I came over to the meeting, and still another I saw come in and beg his pardon and promptly walk out.

Tuesday's meeting was called with the intention of forming a reconstruction committee, the appointment of officers and chairman to head the various phases of the program.

It wound up with a statement of responsibility of seeing that those absent would be at the next session tomorrow, Friday, June 23, at 10 a.m. when it is hoped that a reconstruction committee will commence work in this city and district.

"We've got to have widespread support if we are going to commence this work, and do a proper job," Mr. Bennett said, "and if we don't stop dilly-dallying around the war, we will be well-served."

Part of a construction survey report, indicating an area of 443 square feet, and population of 70,000 people in Western Canada. The report was detailed and, and another member remarked, "gives an idea of the important work on such a group of men who are on such a task."

The Kinsmen will re-commence bingo-quiz in September, according to the announcement made last Friday evening. Judging by various comments it would appear that bingo-quiz has become an interesting entertainment feature for many Vernon citizens and will be looked forward to with some interest.

On Friday a number of names were called for the door prizes but the persons were not present. These included a Vernon resident and two soldiers.

At Dawn on the Long-Anticipated D-Day Here's how Canadian mobile troops, loaded down with full equipment, plus in this case a bicycle, stormed the beaches of Normandy in the early dawn of June 6. The thoughts and prayers of a country were with her sons in this fateful hour, which climaxed many months of preparation.

# City Ratepayers Decide Today on School Extension and Creek Piping

## Authorities Advised Both Projects Vital to Welfare of Residents

Vernon ratepayers go to poll today, Thursday, to record their opinion on the proposed piping of Girouard Creek; and to authorize the expenditure of \$27,000 toward the construction of an addition of eight rooms to the Vernon Elementary School. The poll opened at 8 a.m., and up to press-time this morning the vote had been light, according to City Clerk J. W. Wright, returning officer.

The Polling Booth is in the Council Chambers, and will close at 8 p.m. The Bylaws now before the public are (1) for an underdrainage of Girouard Creek, necessitating an expenditure of \$25,000. The open stream constitutes a health menace of first magnitude, according to medical authorities, and to safeguard the health of the community, this course is deemed essential.

The second Bylaw is for authority to expend \$27,000, one third of the cost of an eight-room extension on the Elementary School. Classrooms are crowded to capacity, children and teachers alike are inconvenienced by the overcrowding. The Provincial Government will pay two-thirds of the construction.

At a public meeting held last night, Wednesday, at which citizens could have learned exact details of both Bylaws now before the people, only five ratepayers attended, together with civic officials and school board trustees who were armed with briefs and expert data to counteract any opposition.

Of the few present, who directed questions to the city council, G. P. Bagnall, Ralph Pearson, and Alec Smith were outspoken that the Bylaws were not in the public interest. Dr. A. J. Wright, City health officer, was present and outlined the urgent need of the underdrainage, the protection of citizens' health.

Alderman Fred Galbraith pointed out that many Bylaws have been defeated not because of opposition but because of a state of apathy. Those who favor the measures often fail to vote, while those against it are first to cast their ballot, he declared. Many Bylaws should not fail but do, because a percentage vote of three-fifths is needed.

Regarding the school by-law the few present seemed to feel that they would receive better consideration than the creek measure. Mayor Howie mentioned a street corner rumor that the public did not want to see a school addition built at their expense when it would be used "to educate Japanese." School Board Chairman, Gordon Lindsay, pointed out that there were only 50 Japanese registered in Vernon school last year, and that the number had not increased over 15 since then.

Mayor Howie said that the people living adjacent to Girouard Creek are in favor of the underdrainage for their own protection, and if the by-law is defeated it will be because of lack of interest of residents in other parts of the town.

# Civic Problems Parleyed Round Council Table

## Trade Board in Accord With Recent Proposal At Kalamalka Beach Site

"We all make mistakes. Real estate in Vernon should not have been sold without civic services—sewers, water, sidewalks being installed first. We can't do anything now, however," said I. W. Bishop, Mayor D. Howie on Monday evening, when the City Council weighed the pros and cons regarding sewer connections at the corner of 12th and Price Streets.

An offer of \$50 from Mike Chuchon for the old reservoir site was referred to the land sales committee. The land in question, 102 feet square, was bought by the city in 1902 for \$350. There is no title, only a conveyance; and the land is not assessed.

Surface water on the camp-site caused a lengthy discussion. It was suggested that a contour of the ground be obtained. The water which used to soak into the ground now runs off the surface. City Solicitor C. Morrow is to be consulted when he returns from his vacation, as to the best course of action. D. K. Penfold, Department of Lands, has recently been over the area affected with civic officials.

The Vernon Board of Trade wrote, signifying their complete accord with the proposition regarding the Kalamalka Beach property made by Col. R. Fitzmaurice on behalf of his client, T. Harrison. "We are convinced the proposition has merit," ran the letter. A round table discussion was suggested by the Trade Board.

Alderman G. J. Hart said he was more favorable towards the proposition than before.

Mayor Howie and a representative from the City Council will attend the Union of B.C. Municipalities forty-first convention, in Nelson next September 12 and 13, in order to propose resolutions.

Civic Problems (Continued on Page 6, Col. 6)

# Local Strawberries Find Ready Sale in City Stores

Strawberries picked from many small acreages in this district, have been on sale at local grocery stores during the past week, and are providing a delicious change for desert at many homes here.

Vegetable seed crops are showing good growth, according to H. H. Evans, Assistant District Horticulturist, of this city, although turnip seed weevil and parsnip web worm infestations are serious. Turnip seeds are podding, parsnips are in bloom, and all other seed crops are progressing favorably.

The first hay crop has been cut. The rain caught much of the first cut while curing on the ground, and consequently will do some damage through bleaching and loss of foliage as the hay dries.

In other branches of agriculture the rain is doing wonders in stimulating growth. It is assisting alfalfa seeding; range lands are keeping green, and on a general scale, the farmer has to date had little worries about irrigation.

# Ceiling Price Set On Okanagan's '44 Crop of Cherries

## Sweet Varieties Coming Along Quickly; Unsettled Weather Worries Growers

Word was received in the valley from W.P.T.B. in Ottawa on Tuesday, June 20, that ceiling prices for cherries for the 1944 season are as follows:

Maximum f.o.b. prices for sweet cherries, 25 pound lug, \$4.68. This package is most popular in the Okanagan Valley. Fifteen-pound lug, (used largely on Eastern Markets), \$2.92. Four-basket crate (20 pounds), \$3.85. Sales of any variety of cherries to processors are not covered by these ceilings.

It is stated in authoritative circles that the cherry crop is coming along quickly this week. The fruit is catching up time. Picking of Sweet Tartarians is progressing in Kelowna and south. The crop of all varieties is approximately the same as last year. To date there has been no report of splitting owing to frequent showers. Unless the weather settles by the weekend, however, damage from splitting will be considerable. There is no picking yet in the North Okanagan; they are expected to roll in volume by the first week in July, however, with the peak at approximately July 10.

Included in the ceiling price order is, that from July 4, imported cherries will come under the same governing order as domestic shipments; in other words, they will be on an identical basis with Canadian fruit. Prior to that date, cherries can come into Canada from the U.S. at OPA ceiling prices, plus taxes and mark-ups. This means that cherries can sell in Winnipeg, at \$7.78 for a 15 pound lug; or 51c per pound to the consumer, prior to July 4.

Immediately the WPTB order comes into effect, the Canadian ceiling price will be \$7.92 per 25 pound lug, or a reduction to the Winnipeg housewife of 19c a pound, as she will be able to buy them at 32c. This figure is arrived at by the ceiling price, plus transportation, icing, wholesale and retail mark-ups.

This is the first time ceilings have been placed on this fruit, and will result in slightly lower consumer prices than last year.

# Powerful Insecticide to Combat Codling Moth

## One of Greatest Scientific Discoveries of the War Released for Use in This Area

One of the greatest scientific discoveries of World War II, an insecticide, DDT, has been released in a small quantity to the Dominion Laboratory in Vernon, and is being given in codling moth field experiments.

This insecticide, which has proved as valuable to the realm of medicine, as Lyster's discovery of anaesthetics has been to surgery, has been held under a veil of strict military secrecy since its discovery on the eve of the present world conflict, and only recently has been made known through widespread publicity.

While being kept secret, the insecticide wiped out a typhus epidemic in Naples. Publicity which has been given to DDT, tells of its potential power to annihilate mosquitoes and malaria; liquidate the house fly, cockroach and bedbug, and control the most damaging pest to the world's crops.

The latest and most particular interest to this agricultural area is a protector of crops it is deadlier and longer lasting than any other insecticide, and has been found effective against potato beetles, cabbage worms, apple codling moth, Japanese beetle, aphids, fruit worms, and even corn borers.

The effects of the insecticide on codling moth infestation will be realized at harvest time when the Dominion men report the results of their experiments with the new, potent control substance.

# Teachers Ask Equalization Of Salaries

## O.V.T.A. Trying to Institute Wage Scale To Protect Profession

Acting on the suggestion of the B.C. Teachers' Federation, members of the O.V.T.A. have moved to equalize wages in Valley schools with those paid to teachers in other sections of the province.

The movement is province-wide, according to H. D. Pritchard, who said that the parent body has endeavored to equalize salaries because a war shortage of teachers has caused soaring of wages, wherever the demand is greatest.

O. E. Clay, chairman of the teachers salary committee said that they are endeavoring to bring about a wage scale in which offer protection for the long term teachers, and be attractive to any newcomers.

The B.C. Federation has encouraged teachers not to accept positions in Elementary Schools under \$1,200 per annum, and in High Schools under \$1,500. This is the basis the Okanagan Association hopes to arrive at when they meet jointly with the Okanagan Valley Association of School Boards in Kelowna on June 29.

In 1942 the teachers and school trustees in the valley agreed on a wage scale of \$900 in the Elementary school, \$1,100 in the Junior High, and \$1,200 in Senior High, as a commencement wages. This wage scale was set, according to Mr. Clay, to bring salaries in rural areas to the scale of urban districts, but now also to give rural areas an offering more for teachers. He mentioned an offer of \$1,500 and good-will bonus by one rural area in the valley. This would mean that new teachers would be receiving more money than a long-term teacher.

A number of rural areas are free to make such an offer because they do not come under the Association wage schedule, which they would not accept at its inception. Only Vernon, Kelowna, Penticton, Armstrong and Summerland teachers come under the present schedule of payments.

The Vernon teachers of both schools met a week ago and decided that they want their wages raised so as to be equal with those paid elsewhere. On Monday evening a teacher's representative met the Vernon School Board when they discussed the situation.

County Court Judge Dismisses Appeal

Judge O. J. Lennox, in County Court yesterday, Wednesday, dismissed the appeal of H. C. Hoover of Armstrong, who had been fined \$10 and costs by Magistrate J. Z. Parks, for speeding through a school zone in that community.

Death Overseas of Sgt. A. K. Hrycenko

Sgt. Air Gunner Arthur Kenneth Hrycenko, R.C.A.F., died on active service overseas on June 17, according to word received on Tuesday by his parents, Mr. and Mrs. John Hrycenko, of this city.

Sgt. Hrycenko was born in Saskatchewan 22 years ago, and came to Vernon with his family at the age of one year. He attended school in Vernon and graduated with his junior matriculation from the Vernon High School. He worked in the district, and spent one year employed in the dining car department of the C.P.R. before enlisting. He enlisted in the R.C.A.F. on May 21, 1943, and went overseas in November of that year.

Surviving besides his parents are five brothers and two sisters.

## Vernon Lawn Bowling Club Hosts to City Store Staff

Sixty-four bowling enthusiasts met at the Vernon Lawn Bowling Club on Tuesday evening, when The Beaver Club, comprised of 31 members of the Hudson's Bay Company Vernon store staff met 33 local bowlers, the Vernon Lawn Bowling Club acting as hosts. Eight rinks of eight worked during the evening. Prizes were awarded as follows: First award carried off by W. J. Oliver's rink, which included A. J. Stephenson, F. Mayes and Miss Emery. Second prize was won by P. Daem's rink with Mrs. W. Fleming, Miss Hilda Chambers and Charles McGillivray. Consolation awards were carried off by C. B. Leley's rink, on which were Mrs. Campbell, Miss Pearl Little and G. P. Johnson. The greens were in excellent condition for the evening's play. Members and guests are unanimous that much of the credit for a successful evening rests with Charles Griffin and C. B. Leley, who organized the game. Refreshments were served by ladies of the Vernon Club.

## Weather Halts Softball Series

Recent downpours of rain have held up the senior army softball league in Vernon. Last week only one game was played, when on Monday, Nick's Aces vaulted into third place in the league by downing the Ordnance Corps 9-7. League games are being played whenever the weather man permits, and postponed games are contested as the teams arrange them.

The league standing remains practically the same as last week. The Ambulance have eight wins and one defeat for first place, with the other teams as follows: Infantry School, Nick's Aces, Fruit Shippers, Military Hospital, High School and Ordnance Corps. The schedule winds up on Monday, after which postponed games will be completed. On Friday in Polson Park, commencing at 6:30 p.m., Ordnance will play the Fruit Shippers and Nick's Aces will meet the High School; and on Monday the Infantry School will play the Field Ambulance, and the High School vs. Ordnance.

## Golfers Enjoy Social Evening

Vernon golfers, wives and friends gathered at the club house of the Kalamalka Lake road greens last evening, Wednesday, and enjoyed themselves at the club's first social evening, which they hope to continue to hold with success during the remainder of the season. Around 50 congenial persons took part in the entertainment, which consisted mainly of cards and dancing. Proceeds are for club funds, and will be used to improve the greens and other facilities. Entertainment was under the chairmanship of James Douglas, with a committee of Mrs. Douglas, Mrs. Art Maynard, Mrs. S. Hannah and Mrs. Hazel Nolan.

## Good Games In Lumby Ball League

LUMBY, June 16.—"Best game played in the league to date" was the verdict on Friday night, after Shunter's Log Rollers handed Sigale's their first defeat in the Lumby Softball League. Pushing over five runs in the first two innings, the Log Rollers added three more, two in the sixth and one in the eighth, meanwhile holding Sigale's to five scattered counters. Final score was 8-5. A neat double play in the ninth, with two on bases, sniped a dangerous situation for Shunter, when Bill Shunter speared Reg Blaney's drive over short and played first to retire the side. Playing for Shunter were Bill Shunter Jr., Peter Ward, John Bourcette, George Specht, Stan Lavolette, Joe Martin, Bill Shunter, Jack Raymond and John Prior. On the Sigale team are George Morrison, Reg Blaney, Albert Murphy, Bob Blaney, Ted Roland, Leo Doucet, Charles Johnson, Larry Weir and E. Koski. League standing at June 16 follows:

	Won	Lost
Sigale's	2	1
Shunter's	2	2
Mill Road	1	2

The Mill Road players include Neil Johnson, Charles Johnson, Cecil Wiley, Slim Sherk, John Dyer, Martin O'Neill, Roy Prosser, Donald Morrison and Scotty Sherk. In two exhibition games on Sunday, Vernon Fruit Shippers lost an 8-7 decision to a mixed Lumby team, but won 12-7 from the Mill Road. Playing for Vernon were Kwong, Janicki, Koshman, Walgram, Shamski, Carswell, A. F. and O. Munk. The Lumby team consisted of George Morrison, Reg Blaney, Bob Blaney, Albert Murphy, Stan Lavolette, Charles Johnson, Gerald Quastel, John McAllister, Ted Roland.

## Frank A. Coyle Dies at Coast

Frank A. Coyle's sudden death at Vancouver recently shocked many Vernon friends, particularly Rotarians. The late Mr. Coyle, who was head of the battery firm which bears his name, helped stage the first two Rotary carnivals held here. He was president of the Vancouver Skating Club at the time and was active in organizing Vancouver Rotary carnivals and assisted in rounding up talent for the Vernon entertainment. He twice accompanied the Vancouver artists to Vernon and on each occasion worked indefatigably to install equipment at the Arena. Mr. Coyle was well known in telegraph and newspaper circles throughout Canada. He was on the staff of the Canadian Press for many years in the Morse days and worked in many newspaper offices at the coast, on the prairies and in the east. A. A. Hayden, an old personal friend, attended the funeral.

## United Church W.A. Holds Successful Afternoon Affair

The interior of Burns' Hall was fragrant with peonies and other summer flowers on Friday afternoon, when the Women's Association of the Vernon United Church held another in their series of sales of knitting, sewing, home cooking, followed by afternoon tea. Mrs. W. L. Pearson and members of her circle convened the home cooking stall, the Star K circle, under Mrs. J. Stark was in charge of children's knitted garments, gay and colorful aprons and bags were the project of the Mizpah Circle, Mrs. W. Niles convener; children's summer clothes were sold by the Carry-On Circle, under the leadership of Mrs. G. K. Hembling. A special committee made up of members of all circles convened the tea. Proceeds, amounting to well over \$100, with final returns not yet turned in, are for the work of the Vernon United Church. Mrs. K. W. Kinnard is president of the W.A.

## Salmon Arm Man Becomes Baronet

While serving with his unit in Italy, Lieut. Allan MacKenzie, a scout officer, who lives in Salmon Arm, received word that he had become Lord Baronet of the House of MacKenzie. He is now "Sir" Allan MacKenzie.

## Struggle for Survival of Local Cricket League

The Spencer Cup cricket league appears to be standing on its last leg. Only two teams, from Vernon and Kelowna, are entered, and during the past two weeks scheduled games have been postponed. The reason behind the postponement seems to be due to the fact that many players have now encountered the busy portion of the season, and have not been able to get away to play in the matches. Since the war, cricket has probably taken the worst "kick

in the pants" of any other sport in the Valley. The enlistment of many players in the armed forces, and travelling restrictions, have been major problems faced by these sportsmen. But they are confident they can keep the game alive against that day when the boys return home from the war, even though the league has dwindled to two teams, and at present is not functioning any too well. When the league will recommence has not been decided.

## David Lloyd-Jones Dies in Kelowna

Kelowna mourns the passing on June 13 of David Lloyd-Jones, who operated the Kelowna Sawmill Company from the turn of the century until December, 1942, when he sold his interest to S. M. Simpson Limited and retired from business. By his activities and civic enterprise, Mr. Jones played an important part in the building up of his community.

He was born at Barford, Ont. June 19, 1852. He came to Kelowna as a young man, and married Edith Gartrell, of Summerland, at Enderby on March 17, 1882.

Four children survive, Mrs. O. O. Gladman, of St. Paul, Minn.; Mrs. R. W. Scott, Kelowna; Mrs. Darcy Hinkson, of Barbados, and Mr. Alan Lloyd-Jones, R.C.A.F., now stationed at Halifax.

Funeral services were held from St. Michael and All Angels Church in Kelowna last Thursday afternoon. Ven. Archbishop Catchpole officiated. Arrangements were under Masonic auspices.

## Armstrong Favors Hard Surfacing of Main Road

ARMSTRONG, June 20.—The City Council at a recent meeting endorsed a resolution of the Armstrong and Spallumcheen Board of Trade, in which it is asked that the highway between Armstrong and Enderby be hard-surfaced.

A letter from the Bureau of Post War Rehabilitation and Reconstruction reassured the Council of assistance in any matters pertaining to returned men.

Completion of temporary repairs on a culvert on Pleasant Valley Road was reported in a letter from the C.P.R.

The Union of B. C. Municipalities convention will be held in Kelowna on September 12 and 13, it was revealed.

The City Clerk was instructed to enquire into a reported shortage of equipment which has made it impossible to go ahead with oiling road surfaces in the city.

Alderman Johnson reported a new case under social assistance. Alderman Keovil, who acted in the absence of Mayor Wilson, said that a good supply of water was on hand.

Control of Noxious Weeds

On June 10 the Council went into a long discussion in the matter of possible control of pepper grass. The Weed Inspector, Harry Halliday, was present, who reported that conditions are increasingly aggravated because of the impossibility of obtaining sodium chlorate for control measures. Until it can be obtained Mr. Halliday requested farmers experiencing pepper grass on their property to get in touch with the Weed Inspector, who will give implicit instructions on the question of control.

As the old fill on Otter Lake Road has broken in Councillor Hayes was granted \$30 for its replacement.

The Council gave consideration to the labor shortage for harvest time when they decided to lay off the city truck for four or five days each month consecutively. Instead of one day a week so that the crew could assist harvesting operations.

A bunker is to be built at the gravel pit at Pleasant Valley and will be worked in conjunction with the new loader.

Word has been received that Sgt. Jack Kelly has been wounded in the thigh. Sgt. Kelly was an Armstrong boy. His aunt, Mrs. William Hawkins, resides at Otter Lake. His wife resides in Victoria.

Mr. and Mrs. H. D. McCallan returned on Friday from a visit of ten days at Chilliwack and other Coast points. While in the former centre, Mr. McCallan judged Jersey cattle at the Parish Show.

Mr. and Mrs. Walter Uppey and daughter, Gail, returned on Friday

from a visit with relatives at Ashcroft and Coast points.

Mrs. Allen Beech and two children, Mrs. W. Miller, are visiting Mr. and Mrs. Ken Bell and two children, of Campbell River, are guests of Mr. and Mrs. Charles Hoover.

Mrs. Harry Collins, of Kamloops, left for home on Tuesday after spending the week-end with Mrs. F. Whittles.

Mrs. Vance Young left last week to visit relatives at the Coast.

Miss Jean Fennell, of St. Paul's Hospital, is spending her summer vacation with her parents here.

## SCREEN FLASHES

"A Guy Named Joe", is making a hit at the Capitol Theatre. Yesterday evening, Wednesday, it made its initial showing, and is playing each night until Saturday. The story is about the war in the South Pacific, featuring, of course, the Americans. The name of the picture was taken from a phrase coined by a squadron leader who told his men over the communications that while there he was to be known as nobody but "A Guy Named Joe." "Joe" became a famous character on all the airfields in the U.S.A. Every pilot who was a friend, or in fact anybody on the field, called him "Joe." The film is dramatic, with a strong romantic element. As a human interest story, it is an outstanding picture. Screen detail in every scene. Sponsor Tracy, an Academy Award winner, with Irene Dunne, another screen favorite, take the leading roles. The picture has made history in every theatre on the continent.

"Four Jills in a Jeep", is the catchy title to a snappy, happy-go-lucky film at the Capitol on Monday and Tuesday, June 26 and 27, starring Ray Francis, Carole Landis, Maria Ray, and Mitzi Mayfair. Besides the four feminine stars, Jimmy Dorsey and his orchestra, John Harvey, Phil Silvers have subordinate roles. Guest stars are Alice Faye, Betty Grable, Carmen Miranda, and George Jessel, also Dick Haymes, radio's sensational singing star, and "The King of the Juke Boxes." The film is a super dose of music and hilarity wrapped up in an interesting story.

Although juvenile delinquency is said to be at its lowest ebb in Vernon, a movie, "Crime School", starring Humphrey Bogart and the Dead End Kids, is a picture worth seeing for educational reasons when it comes to the Capitol on Wednesday and Thursday, June 28 and 29. Billed with it is another stirring story, "Girls on Probation", which also deals with the alarming increase in juvenile delinquency since the war commenced.

Dual romance, collegiate antics and the comical attempts of a pair of teen-aged youngsters to break up their mother's second marriage, provide hilarity galore in a new diverting film show at the Empress Theatre today, Thursday, Friday and Saturday, June 22, 23 and 24. Susan Peters makes her first starring appearance with two seasoned film successes, Herbert Marshall and Mary Astor. In the second feature Hop-Along-Cassidy brings to the screen another of his blazing wild-west favorites, "Riders of the Deadline." It is an action-packed thriller up to standard in every detail of the many wild western stories that have made "Hoppy" the screen's favorite cowboy actor.

Next Monday, Tuesday, and Wednesday, June 26, 27 and 28, the Empress will be showing "The Crystal Ball", a mirthful comedy romance story, full of adventure and human interest, with Ray Milland and Pert Farrell. Godard in the starring roles. The locale of the story is the Old Country, and chiefly the English Channel, the invasion route of the Allied Expeditionary Force. Virginia Field has a subordinate role.

## \$28 Raised by Oyama Schools

OYAMA, June 19.—The proceeds of the concert and tea held in the Oyama School on Friday, June 9, totalled \$28.

Mr. and Mrs. T. D. Shaw McLaren left recently for Vancouver. Miss Sheila Shaw McLaren is spending a few days' holiday at Shuswap Falls with her sister Mary.

An art display, showing reproductions of contemporary Japanese artists, was held in the Oyama School on Tuesday afternoon, June 13. Mrs. P. Diamond gave an excellent commentary on the various pictures.

"Artists" sponsored by the Oyama Community Club was held in the Oyama Community Hall last Friday. Music was supplied by the Okanagan Wanderers Refreshments were served during the evening.

The Kalamalka Women's Institute held their regular monthly meeting at the home of Mrs. A. G. R. Prickard on June 14. About 20 members and guests were present to hear Mrs. R. Allison give her report of the Institute Convention in Vancouver.

## Kamloops Army, Air Cadets Win Praise

KAMLOOPS, June 17.—Royal Canadian Army Cadets of Kamloops High School paraded in Riverside Park recently. The cadets went through their ceremonial drill in a manner which would have done credit to veteran soldiers.

At the reviewing stand were Major W. R. Ortleby, D.S.O., command cadet officer; Lieut. G. Fudge, area cadet officer; Sqdn. S.M. S. A. File, Capt. Kennelworth, Ordnance Corps, Kamloops; Ald. B. A. Edwards, Chairman of the School Board; Trustee G. Slater; School Principal W. H. Gurnoy.

After the ceremonial drill came a display of physical training, followed by platoon games.

Displays of company drill were given under Cadet Capt. W. Field and Girl Cadet Capt. B. Normand.

## Grindrod Man Attends Farm Forum Conference at U.B.C.

The Farm Radio Forum held its first British Columbia Conference on May 20 at the University of British Columbia. It was attended from all parts of the province, including Albert Schindler from Grindrod, and J. Tolhurst from Westbank.

Dr. J. Schindler welcomed the delegates, Dr. G. M. Shrum, moderator, was in the chair at the business meeting. Among those attending were Ernest Macdonald, representing the Provincial Department of Agriculture, who is well known in the interior, and a number of other delegates. The conference was held in the auditorium of the University of British Columbia, and was one of the findings of the Conference. Many farmers and women's institutes, including the Farm Radio Forum, are in their agenda, it was disclosed.

## Penticton Meet For Valley Labor Council, CCL

Penticton was for the first time the scene of a meeting of the Okanagan Valley Labor Council of C.C.L. Unions when on June 11 approximately 20 delegates from Vernon, Kelowna, Winfield-Oyama, Okanagan Centre and Penticton gathered at the I.O.O.F. Hall for the regular bi-monthly meeting.

Unions represented were fruit and vegetable workers, sawmill employees, bus and truck drivers (C.B.O. of R.E.) and municipal employees from among the 16 Locals affiliated to the Council, meeting under the Chairmanship of H. Turkel of Local No. 6 Fruit and Vegetable Workers Union, Kelowna.

Some replacements were made in the personnel of standing committees due to resignations and transfers.

With the elevation of Dan O'Connell to the post of Regional Director last fall, the need for a Business Agent for the valley has become very evident and came up for discussion. An expression of the desire for such an official was drafted for reference to C.C.L. headquarters.

The name of W. H. Fleck of Winfield was proposed for this position, but no definite action was taken at this time.

Reports of current negotiation proceedings between packing-house employees and Federated Shoppers, also of cannery workers with Canadian Cannery Western Limited were given, no agreements having yet been signed in either case.

The next meeting is scheduled for Vernon in August.

## Military Training Of Deep Creek PCMR Wins Recognition

DEEP CREEK, June 19.—The Deep Creek Detachment, 118 C.P.C.M.R. was at Enderby on June 11 taking part in Company field manoeuvres. They were awarded the prize for the group having the most points at the end of the day for their target, shooting, infiltration through enemy lines and guard duty.

Dr. J. Kope completed the last in a series of inoculations of children in this district on Thursday. Inspector Turnbull made an end-of-term visit to the school on June 15.

Mr. and Mrs. E. Winterhalter were visitors in Vernon on June 11. Mrs. Barz returned with them for an extended visit in Salmon Arm. Mrs. R. Davidson and children were visiting in Enderby last Sunday week.

## New Head R.C.A.F. Western Command

After 18 months in the air aspect of the Battle of Atlantic, Air Vice-Marshal P. V. Heakes, C.B., aged 50, has officially taken command of Western Air Command, R.C.A.F., at Newfoundland since December, 1942. A veteran of World War I, Vice-Marshal Heakes went overseas with the C.E.F. transferring in 1917 to the R.F.C. He joined the permanent Air Force in Canada in 1923, serving continuously ever since.

When questioned as to the relative quietness of the West Coast, "This is as it should be, and is a true index of the success of Allied arms in the Central and South West Pacific and a tribute to West Coast planning," he said. That the slogan so often heard in the first dark days of the present war, "too little and too late," could never be used with regard to Western defences, was a statement by the Vice-Marshal. "The significance of our present situation is that we not only have the means of defence but a series of chains of bases from an through which major offensive action can be launched against our enemy to the west," he declared.

## Mosquitoes Numerous In Falkland District

FALKLAND, June 20.—Falkland residents declare that it is many years since mosquitoes were so numerous and pestiferous locally as they are this year. Two rather apt insinuations have been overheard, one that one can now understand why Berlin dislikes the R.A.F. mosquito; the other, paraphrasing Horatio Anson, that "44 percent of the pests are foreigners." Still, the other 40 percent seem to carry a sting in their tails.

Falkland school will seek two new teachers for next fall. Both Mrs. J. A. Clegg, principal, and Miss M. E. Lewis, primary teacher, have resigned. To date neither teacher knows definitely her plans for the coming school year.

Falkland people were grieved to learn on Sunday of the death of George G. Lenn, who, during his short residence in the district, had gained the high respect of all who became acquainted with him.

## Infraction of City Speed Limit Brings \$10 Fine, Costs

Robert Cornwall, of this city, was fined \$10 and costs for exceeding the city speed limit of 30 miles per hour on appearing in City Police Court last Thursday. Cornwall was fined \$10 and costs for playing a local taxi company at the time of his infraction.

## Inflation and Deflation... Evil Companions

Past wars have always brought some degree of inflation.

Goodware scarce... Prices and wages sky rocketed to unnatural heights.

Then one day the war stopped.

In due time goods became plentiful again.

Scarcity prices could no longer be demanded.

and "spiralling" prices went "pop".

and came down with a bang.

people stopped buying because they thought prices would go still lower.

merchandise dropped in value—retailers went bankrupt.

factories closed and unemployment followed.

farms were foreclosed.

distress was general and suicide was in the saddle.

That is why in this war prices are controlled—so that they will not ruin buyers in a rise or sellers in a slump.

Price ceilings—wage and salary controls—rationing—Victory Bonds—increased taxation—are all part of a grand strategy to head off inflation—thus preventing deflation.

**PREVENTION OF INFLATION IS THE BEST PROTECTION AGAINST DEFLATION**

## A Friendly Chat

By Cousin Rosemary

Tomorrow, Friday, school closes its doors until the fall.

Across back-yard fences, over the tea-cups, in circles and groups of women busy with war work, comes the universal cry, "I don't know what to do with the children now they are home from school!"

The annual migration to summer camps will, therefore, soon be in its stride. The person upon whom so much planning rests, and the success of the holidays depend, who incidentally never gets the credit for it, is—yes, you've guessed it, Mother. She is often the one member of the family who does not look forward to the "change." She is worn out before she starts with all the packing, compiling lists, closing the house and what have you—attendant on summer holidays.

**No Camps For Her!**

My own mother would have nothing to do with summer cottages; and camping, after the might just as well have suggested a trip to Australia. A wise woman that. She knew her camps and summer cottages.

We then lived at the Coast, within cheap and easy reach of a number of resorts which then were not as they in many cases are today—over-run with holidaymakers and pleasure-seekers. We occasionally visited some of these places, but did not stay in camps or cottages. In later years I have come to see the reason.

There is just as much work to do in the country as in town to keep the children fed and moderately clean, with the minimum of facilities. If one has such a price, before she plies for those bright lights as shine in our interior towns.

**Back to Nature:**

The youngsters are under foot, as it were, all day long. Instead of school, with the inevitable neighbor or playmate thrown in for good (?) measure. Hours out-of-doors sharpen appetites; there is sunburn to reckon with; the one member of the group who always attracts mosquitoes, the items which have been forgotten in spite of countless lists; the rainy day when we think fall has arrived, it seems so cold. There is washing with no electrical aids; the longing for one's own comfortable bed in a cool and airy room where it is quiet.

"Getting back to nature" and all that is not what it seems when distance lends enchantment.

**Emergency Essentials**

Print in capital letters on your lists a few first aid requirements; something for sunburn; a roll or two of bandages and a bottle of disinfectant; a pair of tweezers for the splinters that work into bare feet; a few aspirin tablets; a hot water bottle, and an ointment to rub on throat and chest in case of colds. And do warn your visitors and young people that more holidays than can be numbered have been wrecked by too long exposure to the sun's rays on the first day. I have seen Coast visitors, and not children at that, with their backs in an alarming condition because of that urge to obtain a suntan the first afternoon.

**Take Some Warm Clothes**

Include canvas shoes for everyone; an extra bathing suit, no matter how old; and a sweater apiece with warm skirt or trousers for the inevitable wet day. Does not matter how old these are either; but take them. Do not let the heat of a July day deter you from taking sufficient bedding.

Do not forget that bathing in fresh-water lakes is a little more dangerous than salt-water swimming; the wet bathing suit should come off as soon as possible. Take also cheap sun hats and sun glasses. Remember too, that you may be miles from a doctor, and with you and times what they are, treat an insect bite or scratch at once.

The little ones will love to soak in the fresh water. It is most tiring, and takes the flesh off their bones. Use your own judgment about the time of day which suits them best. If you can find a place that even the youngest member of the party gets some knowledge of swimming. It may some day be the means of saving not only their own lives, but that of someone else.

Flannelette sheets are best for camp cots. Have everyone make up their own cots and "spell" each other off with dishes. Keep meals as simple as possible; use the minimum of equipment; and do not attempt to bake in an unfamiliar oven. Give them bread and a sweet spread if the ration will run to it. Soon there will be fresh fruit, but watch plums; they are a potential cause of tummy troubles. Try to get your family to have a noon-day rest; it is good for everyone, particularly mother.

**Fish Helps Menu**

Encourage the angler to fish; it not only keeps him occupied but helps the menu. Make him clean whatever he catches, however.

If you have young children, pack without their knowing it, a few jig-saw puzzles; some old catalogues, scissors, and paste; some paper dolls, scraps of knitting-wool and few needles. Try to get them to think of, against the inevitable wet day. Do not produce them until all else fails in the way of entertainment, and then one at a time. The same could be said of a few books for older ones. A few magazines for yourself may pep up the odd hour of resting.

**Keep Butter Cool**

A hole in the ground in which is inserted a can or box with a lid is the best method of keeping butter and milk cool. It is best to manage what you get, rather than get a large piece of meat which is wasted before it is finished because of poor keeping facilities.

## Bursary Awards For B.C. Nurses

"Bursary awards will be made to a selected group of British Columbia nurses wishing to undertake studies which will qualify them for teaching and supervisory positions."

This announcement was made today by Miss L. Creelman, president of the Registered Nurses Association of British Columbia.

The shortage of teaching and supervisory personnel in Canadian hospitals has become so acute during the war years that the Dominion Government is awarding bursaries to a selected group to enable them to take the training which will qualify them for the positions which cannot otherwise be filled. In 1944-45, \$8,000 will be made available for this purpose.

The Province of British Columbia will receive from the Dominion Government an amount of money which will be awarded by the Bursary Awards Committee to nurses recommended for the award by the Registered Nurses Association of British Columbia. Nurses will make application to this Association.

Two types of bursaries are to be issued—long-term bursaries, which will entitle recipients to a full year at a university, and short-term bursaries, which will cover four-month university courses, hospitals, clinical courses, etc.

Applications for long-term bursaries are being received by the Provincial association and applications for short-term bursaries should be submitted before February, 1945.

In the awarding of 1944-45 bursaries, the recipient will be free to choose any university in Canada in which she wishes to gain her post-graduate experience. She will be encouraged to seek the widest possible experience in order that she may give the best possible service to the hospital with which she becomes associated, and to her country.

## Lumby CWAC Singled Out by Princess Alice

Two Lumby girls were singled out for words of praise and appreciation by Princess Alice when she inspected the New Canadian Women's Army Corps Barracks in Ottawa last Sunday, June 18.

On tour of the quarters to open them officially, the Princess stopped at the room where Sgt. Bernice Christian and Sgt. Doreen Bloom live, and congratulated them on their excellent decorations. The Lumby girls had chosen a gay chintz for their windows, which met with the complete approval of Her Royal Highness.

The barracks house some 400 girls in uniform. Where formerly a grandstand and a gridiron stood the long barracks were erected as a temporary arrangement.

The famous OWAC pipe band and brass band were on hand to escort the Princess' entourage to and from the gate in one of Ottawa's most impressive ceremonies.

Expressing a desire to see the living quarters of the soldier women more closely, the Princess was taken on a tour, including the sick bay, the kitchen and the so-called "dorms."

As the two Lumby girls stood conspicuously in the Princess' line of vision, Christian, daughter of P. M. Christian, Lumby farmer, and Mrs. Christian, Sgt. Christian's mother, were congratulated for two years.

## Vernon B. and P.W. Meet at Home of Mrs. Gaunt Stevenson

The last meeting until September of the Vernon Business and Professional Women's Club was held on Tuesday evening at the home of Mrs. C. W. Gaunt Stevenson. It was originally planned to hold a picnic in the garden, but as the weather was unsettled, the meal was served in the living room. Approximately 38 attended.

After a short business meeting, when Miss Nancy Jernyn, newly elected 1944-45 president, presided, a contest was won by Mrs. P. H. Harris and Mrs. G. Balcombe. Other games and singing rounded off the evening.

Miss Ruth Everett, who has been in charge of War Savings Stamp sales in the zone appointed the Club, is resigning from this post after a long period. Tentative suggestions have been made for a successor, not yet ratified. The Club will provide two members who will serve for one evening weekly in the Canadian Legion War Services canteen throughout July and August.

The war-time Convention of Business and Professional Women's Clubs, to be held this summer in Winnipeg, will be attended by Miss Hilda Cryderman as Vernon delegate.

## Women's Division Of RCAF Re-Opens Recruiting Drive

Mrs. Thelma Heggie, representative of the Royal Canadian Air Force, Women's Division, in Vernon, states that after a period of inactivity, women and girls are again sought by this branch of the services for a number of occupations. Mrs. Heggie will be glad to interview any young women from this city and district, and give them preliminary information and advice. She can be contacted in the mornings or evenings at the Central Apartments.

"Under present policy, it is now possible to enlist all applicants who successfully pass the required tests, which have been lowered somewhat," said Mrs. Heggie on Wednesday.

Those securing high marks are being enlisted as Standard Tradeswomen. Those in the slightly lower bracket are similarly listed, but are not remunerated to a trade, prior to a tour of station duty. New applications will be promptly dealt with," said Mrs. Heggie.

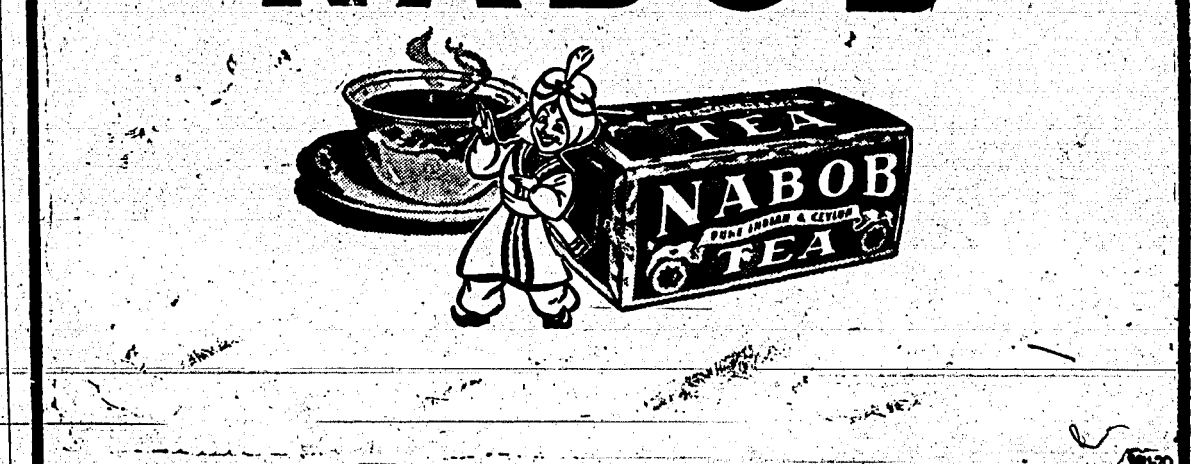

## Funeral of Baby Girl at Mara

**MARA, June 20.**—The infant daughter of Mr. and Mrs. Earl Keddy, who died on June 15 in the Enderby Hospital, was buried on Saturday morning, June 17, from St. Matthew's Church. Interment was in Mara cemetery. Rev. F. W. Sharman, of Enderby, officiating at the last rites.

Canada's commercial flying men, travelling the continent from end to end, meeting people of all types who live under widely varying conditions, can bear witness to the great and still growing popularity of Nabob Green Label Tea. There is no place in Canada, along the transcontinental air ways or in the remotest outposts, where this expert blend of choice teas is not used and enjoyed, for here, indeed, is "tea as it should be."

## You won't get to Berlin in an Armchair!

If Canada and the United Nations had depended upon "Armchair Soldiers" to fight this war, the Nazis and Japs would have grabbed this country long ago.

There is no "Royal Road" to Berlin. It's fighting all the way and Canada's Army needs every man it can get. That's why, today, you should volunteer for overseas service. You'll need months of intensive training to make you fighting-fit.

Don't be a stay-at-home and let the other fellow do it. Get into a man's uniform with the G.S. badge of honour on your sleeve. If we're going to win this war, we'll have to do more than just read about it in the papers.

So, come on you fellows, the good old army has got to finish the job!

## Town and District

Hon. Dr. K. C. MacDonald was a Vernon visitor last week-end.

Mrs. Everard Clarke and her daughter, Miss Opal Clarke, are in Vancouver for a few days.

A. Browne returned to Vernon on Wednesday, after spending 10 days in Vancouver on business.

Mrs. John V. Simmons and her daughter, Miss Bernice Simmons, left for Vancouver last Friday for two weeks to visit relatives.

Mrs. A. Lee, accompanied by Miss June Lowe, of Vernon, left yesterday, Wednesday, for Vancouver on a short visit.

Miss Mae Henschke, daughter of Mr. and Mrs. Felix Henschke, of this city, returned on Friday to St. Paul's Hospital, Vancouver, where she is a nurse-in-training. She spent three weeks vacation at her home here.

Frank Smith, Vernon solicitor, returned on Monday from a business trip to the Coast.

J. G. Simms, L. Madden and S. P. Christensen returned last week from a visit to Halcyon Hot Springs.

After spending the winter employed at Edmonton, Cecil Phillips returned to his home in Vernon on Monday.

Miss Margaret Orr, of Vancouver, arrived in Vernon on Tuesday to visit Mrs. G. C. Watkins, of this city.

Mrs. J. Robb, accompanied her son, W.O. "I. Gordon" Robb, R.C.A.F., to Vancouver on Thursday. Mr. Robb is stationed at Patricia Bay base, Vancouver Island.

On 48 hours leave at his home in Vernon this week was AC2 Cyril Carter, R.C.A.F., who returned to Calgary on Tuesday night, accompanied by his wife.

Gunner Nick Janicki, R.C.A., stationed at Victoria, returned to duty on Monday evening after spending 96 hours leave at his home here.

Mrs. J. Allison, of Vancouver, arrived in Vernon on Monday and is spending a few weeks visiting her sister, Mrs. Harry Keith, of this city.

Ivor J. Ward, Provincial Entomologist, returned to Vernon last Thursday, after two weeks inspection of various entomological conditions in the Kootenays.

AC2 T. L. Speechly, of No. 8 B and G. School, Lethbridge, is spending leave at his home in Coaldale, before proceeding to No. 2, I.T.S., at Regina.

Mr. and Mrs. Andrew Holmes, of Calgary, arrived in Vernon on Monday. They are visiting Mrs. A. Turnbull and Mr. and Mrs. R. W. Nell for two weeks.

Mrs. G. S. Catlin, of New York, is the guest of a few weeks visiting Mrs. J. E. Kidston, of this city, for the summer months. Mrs. Catlin is sister of Mrs. H. W. Keith, formerly of Enderby, now residing in Vernon.

Mrs. Leslie Corner returned to Vernon last Friday, accompanied by her youngest daughter, Betty, who is home for the summer vacation. She has been attending private school in Vancouver.

Mrs. J. Briard returned last week from Revelstoke where she had spent a visit of several weeks with Mr. and Mrs. E. A. Dunn. Mrs. Dunn accompanied her mother to Vernon, returning on Friday.

Miss Elizabeth Jermy of this city left on Saturday for a week at the Coast. She attended the Eastern Star Grand Chapter in Victoria for the first three days of this week.

Mr. and Mrs. J. Cornish, of Eyebrow, Sask., are visitors at the home of Mr. and Mrs. James Robb, of Vernon.

Mrs. I. Batten returned to her home in Vernon last Friday, after a holiday spent at Sechart and Vancouver.

Mrs. G. W. Drage, of Salmon Arm, was the guest last week of Mrs. W. Sparkes, Vernon, for a few days.

J. H. Forester, of Vancouver, left for the Coast on Monday evening, after spending two days with his mother, Mrs. William Forester, and other relatives here. He has been on a business trip to the prairies.

The combined staffs of National Selective Service headquarters of Vernon and Kelowna got together last Sunday for an enjoyable picnic at the Amory Park, Kalamalka Lake.

Mrs. B. M. Valair left last week for London, Ont., as Vernon delegate to the W.O.W. convention being held in that city, which concludes today, June 22. She will visit for a time with relatives before returning.

Charles Fullford and E. G. Sherwood, of Vernon, attended the I.C.O.F. convention in Vancouver last week. Mr. Fullford was the delegate for the Vernon lodge. Mr. Sherwood was accompanied by his wife.

Pte. Clarence Hamilton, R.C.A.M.C., returned to duty at Camp Borden on Monday evening, after spending a short leave at the home of his aunt and uncle Constable and Mrs. J. F. Hamilton, of this city.

Capt. B. M. A. Armstrong has returned to Vernon to take up his duties as a member of the Vernon detachment Provost Corps. He was injured when the Provost Barracks, Bishop's Garth, burned to the ground last New Year's Eve. Since that date he has been recovering at Shaughnessy Hospital, Vancouver.

L. E. Peever, General Agent, Tie and Timber Department, Canadian Pacific Railway, is in Vernon on Friday. He was accompanied by D. H. Fenwick, Western Tie Agent, of Winnipeg, and G. W. Galliford, District Tie Agent, of Vancouver.

George H. Baillie, General Superintendent, B. C. District, Canadian Pacific Railway, was in Vernon on Tuesday. He travelled to Kelowna that evening, visiting this city again on Wednesday. Accompanying Mr. Baillie was A. T. McKean, General Freight Agent, Canadian Pacific Railway, Vancouver.

Constable Jack Nivens, of the B.C. Motor Vehicle Branch, is replacing Constable William Moore, in charge of the motor drivers examinations in the district for a week. Constable Moore sustained a leg injury in an accident at Chase recently and has been unable to continue his work.

Dr. and Mrs. M. Gibson spent the weekend at the home of Mr. and Mrs. W. R. Pepper, of this city. Dr. Gibson, who is a professor at the University of New Brunswick, had attended a forestry convention in Vancouver, and was enroute home with Mrs. Gibson.

Mrs. Reta Myers, Provincial Publicity Director, Canadian Red Cross Society, Vancouver, was in Vernon for a few hours on Friday, in the course of a tour of the Interior. Mrs. Myers retired at the end of 1943 from the staff of the Vancouver Daily Province, after a period of 20 years. She was formerly Women's Editor.

After completing the current school term, Miss Muriel Hamilton left on Monday evening for Vancouver to join her parents, Mr. and Mrs. J. H. Hamilton, who recently moved to Vancouver from this city. Miss Hamilton resided with her aunt and uncle, Constable and Mrs. J. F. Hamilton, while completing her schooling.

J. Studybaker, of Los Angeles, arrived at Killney Orchards, West Side Okanagan Lake, on Sunday with his son. They will remain there for several months. It is understood Mr. Studybaker will be assisted shortly by his wife. He is a brother of A. E. Studybaker, of Washington, D.C., who with Mrs. Studybaker, are the owners of Killney Orchards, purchasing the property some years ago from Mrs. H. F. Hodges.

Dr. Clifford C. Taylor, agricultural attaché to the United States Embassy at Ottawa, was a visitor to the Okanagan last week. He arrived in Vernon June 12, was a guest at the Rotary luncheon and then went to Kelowna to renew acquaintances with G. A. Barrat, of the Fruit Board. A. K. Loyd, of Tree Fruits Limited, and others, Taylor visited the Summerland Experimental Station during the week and later left for Vancouver. This is Dr. Taylor's third visit to the Okanagan in four years and his ambition, he told local Belarians, was to come after the war and do some fly fishing in chosen Okanagan waters.

Will Walker, K.O., of Kenora, Sask., recently elected to the first vice-presidency of the Dominion Command, Canadian Legion, was a weekend visitor in Vernon, staying with his niece, Mrs. J. W. Paul. Mr. Walker was president for the past two years of the Saskatoon branch of the Canadian Legion. During his stay, he visited the C.L.W.S. building on Vance Street, and expressed pleasure at the structure and its appointments. Mr. Walker has a family of two sons, both graduates of Kingston Military College, who have been on active service since the outbreak of the present war. The older is a major in a Canadian Artillery unit overseas; the younger an officer in Canada's First Paratroop Battalion. Mr. Walker is no relation to Alex Walker, president of the Dominion Command.

Major Allan Brooks, world renowned painter of big life, O.K. anagan Landing, spent a few days last week at Lac du Bols in the Kamloops district, observing wild life there. This week he is at Williams Lake, where he is the guest for some time of Game Warden Leo John and Mr. John. Mr. John has received an invitation from the Vancouver Art Gallery to display for the month of August 60 of his natural life photographs. Mr. John's knowledge of the habits of wild life animals and birds, and with the camera have enabled him to build up a collection which friends in Kamloops doubt can be equaled. While Major and Mrs. Brooks were in Kamloops, they visited their son, Cecil, a student at U.B.C., who is spending the summer attached to the Dominion Entomological Laboratory at Mission Plate.

### Memory's Dedication

Today, I sit alone amongst the flowers,  
my gaze afar, intently scanning—  
Heaven's high vault, wondering if still you  
wing toward the east,—  
It was there your eyes looked last,—east-  
ward to the dawn and boyhood's  
English lanes,—perchance to bid a last  
adieu to childhood home  
And well-loved family ties.  
Fair gardens still will bloom, but you will  
not come again  
To plant the seed, cultivate the soil, set  
out the plants,  
Admire the flowers, inhale their perfume,  
rest in the shade,  
Bask in the sun, listen to the birds and  
bees, enjoy the sunset glow,  
And the mystic loveliness of night's dia-  
mond-studded pageantry.  
Alas, no more will the lavish flower tints,  
look so bright;  
Nor bird-song sound so sweet; the roses  
will be robbed of half their fragrance;  
All nature's beauty, sounds, and odors will  
seem less vibrant now you  
Are gone,—for you will not come again  
to tend their needs and shed  
The encouragement of your warm admi-  
ration,—unless perhaps, your spirit  
Hovers round the place your nature-lov-  
ing soul held so dear,—  
You may be there, dear heart, but our  
earth-bound eyes cannot discern  
Your spirit-presence, though we may often  
feel you near.  
We miss you by the radio, in your chair  
with a book, at the head  
Of the table, and doing the many homey  
things you so loved to do;  
But most of all we miss you amidst the  
garden joys, it is there  
Your memory will bloom most vividly in  
the inner sanctuary  
Of our loving remembrance, forever.

Vernon, B. C.

—F. M. GARRETT

## Future for Fighters

Veterans' Land Act  
(Continued from last week)

Q. What financial assistance is available for establishment on small holdings?

A. Exactly the same as for full-time farming, except that, in the case of small holdings for urban workers, it is estimated that the farming equipment required to operate the holding will be much less than for full-time farming and will not ordinarily exceed \$500 to \$600. In the case of commercial fishermen, commercial fishing equipment up to \$1200 may be supplied in place of farm equipment and livestock.

Q. Can two commercial fishermen go together as partners and obtain up to \$2400 for commercial fishing equipment?

A. Yes, provided both are ex-servicemen and qualify for commercial fishing.

Q. Must I take advantage of the Veterans' Land Act to obtain a specified period of discharge?

A. No. It is the intention to carry on establishment over a number of years so that those who wish to take advantage of the Act will have ample opportunity to do so.

Q. Should I try to save money in addition to that which is required to meet the down payment on land and buildings?

A. Yes, by all means, especially if you intend to engage in full-time farming. Funds will be required for seed and feed and other items that must be met, especially during the first year of establishment.

Q. Can I sell my farm or small holding and benefit by the Government grant if I decide to change my plans?

A. No. The Act forbids the sale or other disposition of the property by the veteran until he has carried out the terms of his contract for ten years, or has paid off the full cost to the Government of the land, improvements and chattels purchased by him.

Q. If I should die, what happens to my interest in the property?

A. It passes to your heirs.

Q. If I already own a farm, can I obtain advances to pay off mortgage, make improvements, or to purchase livestock and farm equipment?

A. Yes. Up to \$23000 may be advanced for these purposes, provided the total does not exceed 60 percent of the value of the land and buildings as established by the Director of the Veterans' Land Act. Advances for the purchase of livestock and farm equipment on mortgage—security may not exceed \$25000 or 50 percent of the value of the land and buildings.

Q. Where do I make application?

A. Regional Offices have been set up in every province and applications should be made to your nearest Regional Office.

Q. Do I have to take land which the Government selects for me?

A. No. You are at perfect liberty to select your own land. The only condition is that you must be able to satisfy the Director of the Veterans' Land Act that it offers a reasonable opportunity for your successful establishment. Properties are now being purchased and held in reserve for the purpose.

Q. If I desire, when demobilization takes place, but no veteran will be limited to selection from farms already on hand.

Q. Can I make application while still serving?

A. No. You must be discharged from service before an application can be considered.

Treatment Regulations

Q. If I am in receipt of a disability pension, for what treatment am I eligible if I become incapacitated?

A. Pensioners hospitalized for pensionable disabilities receive free treatment with allowances for themselves and dependents as permanent right. Pensioners (and non-pensioners with meritorious service) may receive free treatment at any time without allowances, subject to examination from medical and economic viewpoints.

Q. On what scale are the applicable treatment allowances to pensioners?

A. At the rates laid down under P.C. 91; generally at the 100 percent pension rate less \$30.00 per month.

Q. If I am not a pensioner, to what treatment am I entitled?

A. Any veteran may receive treatment for a non-pensionable disability, provided that such treatment commences within one year of discharge.

(To be continued)

## AS I SEE IT

By Elmore Philpott

### Manpower Farce

The Western Front has been opened in France. Due to masterly planning, and superb execution of those plans, the human cost of this great victory has been almost unbelievably low, so far.

In the first week the total Allied casualties are reliably reported to have been fewer than those suffered in a single day at World War I when the Canadian Corps captured Vimy Ridge.

### Almost National Disgrace

On the morning after the great invasion victory Canadian newspapers right across the country carried large display advertisements inserted by the Department of National Defence. The cost of these advertisements was, of course, considerable. But that is of little importance in the real balance sheet. The fact that—even now—the government could so willingly make in uniform to "go active" is little less than a national disgrace. In the words of Frank Sinatra, they have heard that song before.

The radio appeal by Brigadier Mess and moving as it was, is little less than a farce. For what does Brigadier Mess ask? He asks for 48,000 volunteers during the present fiscal year to keep up to strength the fighting forces. Yet Canada already has in Canada many more than 48,000 fully trained, completely fit, superbly trained men—the great "zombie" army of 60,000.

Within 24 hours a government with guts—just plain old-fashioned guts—could solve this manpower problem for all time to come.

### "Zombies" Well Trained

I talked a few weeks ago with an officer back in Canada on a special assignment. He was completely familiar with our troops overseas. He had also just had occasion to find out what's what among the home service draftees here in Canada. He told me that in his opinion the "zombie" men here in Canada were quite as well trained, quite as good soldiers in every way, as the men overseas, such as broke the heart of the Hitler Line in Italy, and scored as heavily as any other formations of the whole Allied army now in France. Indeed, he added that they were smarter—that is, snappier at saluting, less slouchy on the streets, generally more spruced up than the boys overseas.

### Explosive Situation

But what sobered me about his remarks was this: He pointed to the explosive situation which we would surely find in Canada if we leave this "zombie" army of 60,000 here in Canada till the war is won in Europe.

"Are those of us who are left going to be brought back to Canada for a few weeks' leave, after beating Hitler, and then called back to go across the Pacific to beat Japan—while this 'zombie' army escorts us down to the docks, and waves us good-bye?"

I think every Canadian should then ask that question now.

Obviously the government has only three choices as to how to treat this "zombie" army of 60,000. It can:

1. Keep them here in Canada indefinitely, as a useless expense to the country.

2. Discharge them—turn them loose into civil life.

3. Release them for duty anywhere in the world, as the English, Scots, Americans, New Zealanders, Russians, Chinese, and millions of others are eligible.

### Only One Safe Solution

Suppose we keep the "Zombie" army marking time here in Canada. Is any sane government willing to risk the situation that would develop while our Canadian army overseas was here in Canada en route to do the remainder of the fighting—and bleeding and dying—in Asia?

Suppose we turn these "Zombies" loose—as John Bracken suggested, or implied not long ago. Do they scramble for the peacetime jobs, and get in on the ground floor first, before the survivors of our fighting army come home?

Suppose the government does what the people by overwhelming majority instructed it to do, in that apparently forgotten plebiscite of April, 1942.

four directions—from Vernon to Armstrong, Vernon to Kelowna, Vernon to Okanagan Landing, and Vernon to Lumby—without delay. This announcement was made exclusively to The Vernon News by Watson W. Evans, of Toronto, assistant solicitor of the C.P.R., who was in town to obtain the signature of Hon. E. J. Benson, Minister of Finance to the \$5,000,000 grant passed by the Provincial House in February.

FORTY YEARS AGO  
Thursday, June 23, 1904.

Inspector Gordon arrived this week to conduct the High School entrance examinations, including 20 students from schools throughout the district. Prospects for a grant on July 12 are becoming brighter every moment. It is now estimated that over 1,000 persons will be in the city from the north, of which about 300 will come from Armstrong. The Vernon City lake points should bring in many from the south. The work of W. C. Pound, local taxidermist, is receiving regular commendation from the authorities. The local men are asking citizens to do what they can in the way of decorating the city for July 12.

FIFTY YEARS AGO  
Thursday, June 21, 1894.

Strawberries are plentiful in town. A shipment of 1,500 pounds having arrived. A meeting of the licensing board was held on the first time since the institution of the board a clean sheet was presented by the clerk, J. A. Monahan, there being no applications for renewal of licenses. A much needed improvement is going ahead at the Courthouse where they are constructing a flight of stairs along with the new Supreme Court, thereby eliminating much inconvenience in passing through other rooms to reach it. The last of the necessary crossings was put in on Monday evening this week, at the corner of Seventh Street.

THIRTY YEARS AGO  
Thursday, June 25, 1914.

Construction work on the C.N.R. branch line from Kamloops to the Okanagan Valley will begin next week with every resource at the command of this great construction company. Building will begin immediately at three points, Vernon, Armstrong, and Kelowna. From Vernon the work will proceed in

From the  
VERNON NEWS FILES

### TEN YEARS AGO

Thursday, June 25, 1934.

The Rotary Club of Vernon has made it possible once again to have free swimming and life-saving classes at Klamath Lake, with Miss Anna F. Fink as instructor. The Vernon baseball team continued in their climb for leadership of the Interior loop when they took the Revelstoke nine to camp by a 3-0 count on the Revelstoke diamond. Howard Urquhart was the mauling of the local club. He hurled one of the best games of his young career and won the honor of pitching the first shut-out game of the season. Revelstoke only scored two hits and nine of their players were struck out.

### TWENTY YEARS AGO

Thursday, June 26, 1924.

A meeting of the members of the executive of the Okanagan Cariboo Trail Association, an organization devoted to the development and popularization of the motor route up through the State of Washington, through the Okanagan and into the Cariboo district, was held at the hotel here. A much needed improvement is going ahead at the Courthouse where they are constructing a flight of stairs along with the new Supreme Court, thereby eliminating much inconvenience in passing through other rooms to reach it. The last of the necessary crossings was put in on Monday evening this week, at the corner of Seventh Street.

### THIRTY YEARS AGO

Thursday, June 25, 1914.

Construction work on the C.N.R. branch line from Kamloops to the Okanagan Valley will begin next week with every resource at the command of this great construction company. Building will begin immediately at three points, Vernon, Armstrong, and Kelowna. From Vernon the work will proceed in

by no means be confined to a single province.

Undoubtedly, the mood for a change of government was strong, and understandably so. Wartime controls, the innumerable grievances which arise under war conditions, all operated against the party in office. Federal issues were put to heavy use. Indeed, it may be said that the government in power was called upon to bear the whips for all the grievances of the day.

In the face of these unfavorable conditions, the Patterson government was unable to develop a program attractive enough to appeal to voters in their present mood. The truism that sick governments seldom recover health and vigor applies; and it will probably be found that the illness, which in this case has proved mortal, will afflict other governments in this country which do not apply themselves constructively to the problems of the day. The moral here is clear, and should not be overlooked.

The C.C.F. under Mr. Douglas showed awareness of their advantage and, from the viewpoint of election strategy, made few mistakes. Socialism in the sense of the C.C.F. Regina manifesto was seldom mentioned. The government speakers, on the other hand, chose this as their fighting ground. The conclusion to be drawn is that in the absence of a direct avowal of socialist policies by C.C.F. candidates, the electors were not susceptible to a campaign based upon the fear of socialism.

By far the most interesting aftermath of the campaign is the effect of the overwhelming upheaval on the Dominion political scene. The Conservatives were cleanly wiped out; the Liberals scarcely less so. How either of these parties, in view of this situation, can possibly expect to secure an over-all majority within the next few months is a problem that must be puzzling Ottawa today.

### Manpower Again

The opening of the second front and the consequent national appeals made for additional army volunteers has naturally brought into sharp focus again Canada's whole manpower policy. The conscription press throughout the country has again seized the opportunity offered of beating the drum for universal military service for all armed services personnel.

One point that has not been emphasized as much as it might well have been is the puzzling smallness of the quota of overseas volunteers asked for by the authorities. Required are only 48,000 men—certainly no insignificant figure, but far less than the total asked for in each of the years from 1940.

If these are all the men that are required, or, more correctly, all the men the army thinks it has a reasonable chance of securing, then Canada is surely not only scraping the bottom of the manpower barrel, but is pulling the staves apart.

This need for men, of course, is apart from the requirements of the air force and the navy, but for many months past neither of these services have been pressing their claims.

As has been often emphasized, the home defence army—according to the estimates usually accepted—would more than fill the quotas of active service volunteers.

Yet despite the hue and cry raised by certain sections of the press of Canada, nothing on the political horizon at the present time would justify the slightest hope that a full conscription act will be passed.

### German Law And Order

A compelling argument for a truly just and powerful organization among sovereign nations is contained in the current issue of Saturday Night, that valuable weekly that seems, almost alone among publications emanating from Toronto, to appreciate the fact that Canada does not end at the borders of Ontario.

Discussing the current German belief that some gigantic international conspiracy, rather than bloodthirsty German aggression, is responsible for their country's pending doom, Saturday Night points out that a first condition for German re-establishment in building up within that country of a system of law and law enforcement as opposed to gangster rule.

The editorial, which deserves the widest possible circulation in this country, is as follows:

"Captured Germans, it is reported, are already beginning to explain their defeat by the excuse that the whole world is against us. What they apparently cannot realize is that the war which they began was a war against the whole world, a war to establish German overlordship, first of all over the whole of Europe and then over every other continent. Their chance of success depended entirely on their being able to make great progress towards the attainment of that end before the majority of other nations were awake to their purpose and took up arms to prevent it. They came within an ace of succeeding, but when, having taken on both Britain and Russia at the same time, they failed to destroy the military power and economic resources of either nation, their whole enterprise was inevitably doomed to failure. Had they broken either one of those nations they would in the long run have succeeded.

"The ordinary German, of course, does not realize the real nature of the war into which his leaders have sent him, and does not understand why the whole world is against him. If he seeks to explain it at all, he does so by the theory that 'International Jewry' or 'International Communism' or international something else is directing the anti-German campaign behind the scenes. The process of enlightening him on this subject will in any event be extremely slow and difficult. But we venture to suggest that the most important step towards achieving it, a step without which any others will be doomed to failure, is the establishment of a state of law and of law enforcement in the relations between nations. If the nations which are now defending themselves against German aggression can show that they are determined in future to protect one another against anybody's aggression, to maintain the freedom and independence of all peoples who desire to be free and independent, including even Germany when she is ready to accept the obligations of international law, then the current German belief that the world is run by some kind of anti-German conspiracy will eventually become impossible.

"The whole world must be against Germany so long as the policies of Germany are against the peace and order of the world. But it is the policies, not Germany, that the whole world opposes, and it must oppose such policies to any other state or group of states. Its failure to do so between 1918 and 1939 gave Hitler his opportunity. Its failure to do so after 1941 will give the same opportunity to another Hitler, either in Germany or in some other country."

Canada is apparently to continue the methods that have served for one reason or another, for five years. We are, in fact, to go on as we have for one reason and one reason only—Quebec. Recent events in the province of Quebec leave little room for doubt but that adoption of conscription would cause a split in this country much more bitter and much more lasting even than 1917-1918.

It is for Canadians to decide whether this issue can be postponed as has occurred in so many times in the past, or whether, in the most critical days of the war, a decision should be forced.

It should also be borne in mind that not one of the three major political parties is today advocating conscription in the House of Commons. It remains to be seen whether Mr. MacGill's speech this week in Ontario will be the keynote of a Progressive Conservative drive or whether he was speaking merely as an individual in a province whose overwhelming support of conscription was demonstrated as far back as April of 1941 in the famous plebiscite.

### First Socialist Government

The voters of Saskatchewan have elected to office the first C.C.F. government in Canada. In doing so, they gave the C.C.F. more than one-half the total vote, and in most constituencies commanding majorities over totals of all other opponents. Thus, after a decade of political inactivity, the party of the left has achieved a success, the consequences of which may

## North Okanagan WMS Holds Rally at Enderby

ENDERBY, June 19.—The Women's Missionary Society of the North Okanagan attended a Rally in St. Andrew's United Church in Enderby recently. Vernon, Armstrong, Salmon Arm and Revelstoke were represented on this occasion. As there has not been a Rally for several years it was especially interesting, and many valuable notes were taken by those attending.

Mrs. J. L. King, president of the local WMS, acted as chairman for the day. The morning session opened with a devotional period taken by Mrs. Phillips and Mrs. Wilson. Nightingale, an address of welcome was given by Rev. W. Selder. Business of the morning was conducted by Mrs. P. H. Hurlburt and Mrs. L. A. Gott of Vernon.

Following the morning session lunch was served in the basement of the church when about 45 sat down to well laden tables, the work of local hostesses.

The afternoon session opened at 2 p.m. Mrs. J. Palmer of Enderby conducting the devotional period, assisted by Mrs. McMechan. A "question box" was taken care of by Mrs. Hurlburt. At this time the latest from the various societies were heard regarding methods of conducting meetings and other topics. Two musical numbers were enjoyed when Mrs. Charlie Parkinson, and the Misses Len, Nightingale and May Carey sang, accompanied by Mrs. H. Hendrickson on the organ.

The special speaker was Mrs. E. M. Dow, of Enderby, who gave a helpful address "What to Do With the Study Book," and "How Not to Conduct a Meeting". The session closed with a short service of intercession by Rev. F. R. Dredge and Rev. W. Selder.

"Tea brought the Rally to a close.

I.O.D.E. Chapter Adopts Ship

Members of the Sir Douglas Haig Chapter I.O.D.E. held their regular monthly meeting at the home of Mrs. S. H. Speers on Tuesday afternoon. All officers and 14 members attended.

Treasurer Mrs. W. Pantan reported that the chapter was now able to adopt a ship with a crew of 10 men, H.M.C.S. "Crest". It was decided to send as many necessary supplies as could be secured by the end of the month. The men on the ship. Arrangements were made for as many articles to be collected as possible, such as checkers, Chinese checkers, monopoly, jigsaw puzzles, cards, magazines and books, sport equipment and musical instruments. It is hoped that Enderby residents interested and wishing to contribute will leave any of the above articles at the Rouleau Press as soon as possible.

A further shipment of books and fur was mailed to headquarters last week by Mrs. F. Rouleau.

Arrangements were made to serve tea at the Garden Club Flower Show in the fall, further details to be left until a special meeting to be called at the latter part of August. Mrs. E. Webb will be convener of the Baby Clinic in September. Mrs. W. Pantan and other members will assist Mrs. Webb with final arrangements.

The treasurer reported that only \$53.36 was left in the bank and arrangements would have to be made shortly to raise funds to carry on with the many demands of the chapter in the months to come.

A committee consisting of Mrs. M. M. Peel and Mrs. W. Pantan was organized to visit any patient in the local hospital who had no relatives or friends near at hand and to see that sufficient flowers were supplied.

Following the business of the meeting an interesting and educational study period was given by Mrs. F. Sharmar who took as her topic Uganda, Africa. This report was the first of the Empire study group, begun by the local chapter and it is hoped that some very valuable as well as interesting information will be received from this new departure. Mrs. W. Selder will assist Mrs. Sharmar in carrying on the study of Africa and a further paper will be given at the first fall meeting.

It was decided by the members not to conduct meetings during July and August. Following the meeting Mrs. Speers served tea to the guests.

Principal M. V. Beattie of the Enderby Fortune Public School, closed on Tuesday for the two month's summer vacation. This year classes were dismissed earlier than usual due to Matriculation examinations starting at an early date. Miss Beattie oversees these examinations.

The following is a list of pupils promoted from Grade VII into High School: Helen Geisler, Beverly Horrex, Norma Hinton, Edna Johnson, Gladys Garner, Roddy Huston, Edith Walker, Eileen, Carol Hinton, Shirley MacKinnon, William Campbell, Irwin Jones, Albertha Hill, Dorothy Schatzman, Dolores Strickland, Clarence Karras, unranked.

From Grade VI to Grade VII are as follows: Margery Hall, Walter Bush, Viola Brash, Munroe McAusland, Morley Garratt, Elinor Faulkner, Lloyd McAusland, Gerry Radloff, Walter Shilley, Pamela Stephens, Eleanor Lidstone, Ruth Waage, Lloyd

and Ronald Nelson, conditional.

Prizes of War Savings Stamps were awarded to the following for perfect attendance: Beverly Horrex, Eleanor Lidstone, and Margery Hall.

Proficiency in Grade VIII: Helen Geisler, Beverly Horrex, Norma Hinton, Edna Johnson and Gladys Garner.

Proficiency in Grade VII: Margery Hall, Walter Bush, Viola Brash and Munroe McAusland.

At the meeting of the City Council on Monday evening, business consisted of discussions regarding resurfacing Cliff Street with a flush coating; as well as a letter sent to C.P.R. divisional headquarters, protesting against the closing of the railway crossing adjoining the freight sheds.

Alderman Richards reported on the meeting of the Aviation Council at Kamloops recently. It was agreed that Enderby affiliate, and the fee of \$750 be paid. Alderman Richards reported on the meeting of the Kootenay Municipalities to which he was a delegate.

Mrs. J. L. King, president of the local WMS, acted as chairman for the day. The morning session opened with a devotional period taken by Mrs. Phillips and Mrs. Wilson. Nightingale, an address of welcome was given by Rev. W. Selder. Business of the morning was conducted by Mrs. P. H. Hurlburt and Mrs. L. A. Gott of Vernon.

From Grade VI to Grade VII are as follows: Margery Hall, Walter Bush, Viola Brash, Munroe McAusland, Morley Garratt, Elinor Faulkner, Lloyd McAusland, Gerry Radloff, Walter Shilley, Pamela Stephens, Eleanor Lidstone, Ruth Waage, Lloyd

and Ronald Nelson, conditional.

Prizes of War Savings Stamps were awarded to the following for perfect attendance: Beverly Horrex, Eleanor Lidstone, and Margery Hall.

Proficiency in Grade VIII: Helen Geisler, Beverly Horrex, Norma Hinton, Edna Johnson and Gladys Garner.

Proficiency in Grade VII: Margery Hall, Walter Bush, Viola Brash and Munroe McAusland.

At the meeting of the City Council on Monday evening, business consisted of discussions regarding resurfacing Cliff Street with a flush coating; as well as a letter sent to C.P.R. divisional headquarters, protesting against the closing of the railway crossing adjoining the freight sheds.

Alderman Richards reported on the meeting of the Aviation Council at Kamloops recently. It was agreed that Enderby affiliate, and the fee of \$750 be paid. Alderman Richards reported on the meeting of the Kootenay Municipalities to which he was a delegate.

Mrs. J. L. King, president of the local WMS, acted as chairman for the day. The morning session opened with a devotional period taken by Mrs. Phillips and Mrs. Wilson. Nightingale, an address of welcome was given by Rev. W. Selder. Business of the morning was conducted by Mrs. P. H. Hurlburt and Mrs. L. A. Gott of Vernon.

Following the morning session lunch was served in the basement of the church when about 45 sat down to well laden tables, the work of local hostesses.

The afternoon session opened at 2 p.m. Mrs. J. Palmer of Enderby conducting the devotional period, assisted by Mrs. McMechan. A "question box" was taken care of by Mrs. Hurlburt. At this time the latest from the various societies were heard regarding methods of conducting meetings and other topics. Two musical numbers were enjoyed when Mrs. Charlie Parkinson, and the Misses Len, Nightingale and May Carey sang, accompanied by Mrs. H. Hendrickson on the organ.

The special speaker was Mrs. E. M. Dow, of Enderby, who gave a helpful address "What to Do With the Study Book," and "How Not to Conduct a Meeting". The session closed with a short service of intercession by Rev. F. R. Dredge and Rev. W. Selder.

"Tea brought the Rally to a close.

I.O.D.E. Chapter Adopts Ship

Members of the Sir Douglas Haig Chapter I.O.D.E. held their regular monthly meeting at the home of Mrs. S. H. Speers on Tuesday afternoon. All officers and 14 members attended

The British A.T.S. who took part in the invasion were the biggest army of women in history—estimated at more than 200,000.

### Salmon Arm Kinsmen Raise \$20 From Soft Ball Game

**Salmon Arm, June 19.**—Following the baseball game last Sunday afternoon when the Kelowna nine took the measure of the home boys in a one-sided game to the tune of 13-1, the Salmon Arm Kinsmen played a benefit softball game against a combined team of players from Gleneden and Tappen. Despite the fact that many of the Kinsmen have not had a ball in their hands for 10 years, and were pitted against the cream of the other teams, they did not feel badly when they came out on the short end of a 22-13 score. The game was put on to assist a young Gleneden boy who had his arm broken from a flying bat at one of the games. A collection during the event netted approximately \$20.

### Salmon Arm Kinsmen Raise \$20 From Soft Ball Game

**Salmon Arm, June 19.**—Following the baseball game last Sunday afternoon when the Kelowna nine took the measure of the home boys in a one-sided game to the tune of 13-1, the Salmon Arm Kinsmen played a benefit softball game against a combined team of players from Gleneden and Tappen. Despite the fact that many of the Kinsmen have not had a ball in their hands for 10 years, and were pitted against the cream of the other teams, they did not feel badly when they came out on the short end of a 22-13 score. The game was put on to assist a young Gleneden boy who had his arm broken from a flying bat at one of the games. A collection during the event netted approximately \$20.

On Saturday evening, June 10, the second drawing in the Salmon Arm Hospital Women's Auxiliary Sweepstakes was held at the Rex Theatre. Little Miss Lorraine Hansen drew the winning tickets with Mrs. B. O. Hooper carrying off the first prize of a \$100 Victory Bond; Miss E. Stirling, \$50 Bond; Bob Gardiner \$25 in cash; Mrs. E. Blackburn \$10 cash and Alex Cameron \$5 cash. Miss Audrey Stewart of the Hospital staff was awarded \$5 for selling the largest number of tickets. The Women's Auxiliary assisted in making the draw the success it was.

Repatriated Missionary Gives Address  
On Sunday evening to a fair congregation, Rev. G. K. King, B.A., repatriated missionary from Honan, China, gave an interesting and inspiring address on his work, and life in China. He stressed the opportunity which lies ahead for the Christian church in foreign lands. Mr. King was one of the last missionaries to leave China on the "Gripholm."

Petty Officer Harold Berscht, R.C.N.V.R., is spending a few days in Salmon Arm visiting his uncle, A. Berscht and friends. Mr. and Mrs. G. Mennie and little daughter were visitors in Salmon Arm last Saturday.

Word has been received by his parents that Pte. Hugh Tinney is officially reported as missing after action in Italy. The Tinney family were former residents in Salmon Arm where Pte. Tinney attended school. He will be remembered by his interest in local sports.

W. LaClair left on Friday to spend a week visiting his son and daughter at the Coast. Mrs. A. Collier is in Vancouver for a short holiday.

The First United Church congregation has raised by cash and pledges the sum of \$1,805, and when the campaign officially closes at the end of the year, the church will be able to start 1945 free of debt.

After spending her vacation visiting her parents, Mr. and Mrs. D. H. Jamieson, Miss Nona Jamieson returned to her duties at Victoria Jubilee Hospital last Saturday.

**Grindrod Soldier Wounded in Action**  
GRINDROD, B. C., June 19.—Word has been received that Bill Bylyk, one of four sons of D. Bylyk, has been wounded overseas.

Lt. Col. Mary Bylyk, CWAC, has returned after spending a short holiday with her parents here.

Mr. and Mrs. W. J. Monk and family, of Vernon, spent Sunday at Grindrod.

Rev. W. Bulstrode is visiting for some time the home of Mr. and Mrs. T. Skyrme.

Pte. G. W. Bailey has returned to Lethbridge, Alberta.

A successful dance was held at the Grindrod Hall on Friday. Congratulations are extended to Mr. and Mrs. A. K. Crandemire on the birth of a daughter on June 14.

**Union Jack Flies on Shores of Normandy**  
British flag marks beach commanders' post on the white sandy shores of the French Coast, which are being stormed in the course of invasion.

A. E. Harrison Labor Placement Officer

### Rutland Fruit Growers Agree on Labor Policy

**RUTLAND, June 19.**—The Rutland local, B.C.F.G.A., met in the Community Hall on June 14 to consider the question of labor supply, wages, and other matters. H. C. S. Collett of the Dom-Provincial Emergency Farm Labor Bureau was present and answered a number of questions regarding supply of labor from the prairie, and other points. After some general discussion the meeting appointed A. E. Harrison as local Placement Officer for the Rutland district. All labor will be supplied through him, and all applications for help are to be put through the local officer.

The growers agreed to assess themselves on a per box basis to meet the cost involved, and a small charge for each man or woman placed was also decided upon.

Regarding wages, the local voted unanimously to stick to the agreed 45c per hour for experienced thinners although some districts were reported to be paying 50c.

It was felt that with the heavy drop of Macs and Delicious the urgency was gone to some extent, and it would not be until picking time that any serious shortage of labor would develop. With the high school grades closed at the end of the year, there was a large supply of labor available from this source.

Correspondence from the committee in charge of the Co-operative Centenary celebrations to be held in Kelowna on Dominion Day was read, and the local agreed after hearing reports from A. L. Baldock and H. G. Walburn on the plans for the day, to vote \$5 toward expenses.

A. E. Harrison reported briefly on a recent meeting of the Central District Council which he had attended, and A. L. Baldock reported the results of a meeting with W. McGillivray, head of the Emergency Farm Labor Bureau.

Mr. Collett requested the growers to send in a revised list of their labor requirements, based on their actual needs, which they would now be in a position to estimate with more accuracy.

Mrs. Charles Stuart and her mother Mrs. W. H. Ford were passengers to the coast for a holiday last Thursday. Mrs. Ford is convalescing from an illness.

Rutland assisted in the Kelowna and district War Savings Stamp drive on Saturday last, and four "Miss Canada" girls assisted by some Scouts and Wolf Cubs, sold over \$75 worth of the stamps at the two centres, at Reid's Corners and Rutland Corner. Miss Dorothy Gray and "Miss Marjorie Barber" sold \$42.25 in stamps, while Miss Doreen Stewart and Miss Lois Wanless sold stamps to the value of \$34.75. All were "Miss Canada" girls. This is the first monthly event from now on, it is understood.

Mrs. A. E. Harrison returned last week from Vancouver where she spent a short holiday visiting her daughter Mrs. L. Irvine.

Murray McKenzie is a patient in the Kelowna hospital, having undergone a major operation.

Mrs. Arthur Peterson of Night-

### Different Angle on Theft Charge

Evidence in County Court Proves J. Dane Deserter From Army

Judge Charles J. Lennox, who presided over the June session of the County Court in Vernon for Judge J. R. Archibald, found new evidence before him in the cases of James Dane and Wesley Solmie, the transients who pleaded guilty to two charges of breaking, entering and theft. He sentenced them to six months imprisonment on each charge, to run concurrently.

When they first appeared, the evidence was heard and they were remanded for sentence until the June County Court hearing, last Thursday. Both said they were discharged men, and Dane further stated that he had been overseas, from where he was discharged.

Military authorities submitted evidence which proved that Dane had enlisted in eastern Canada, had been discharged, and re-enlisted, and at the time was absent from leave, or a deserter. Members of the local provost corps were on hand at the trial to take Dane into custody if the court had granted suspended sentence.

Enroute to the south of the valley, the two men stopped in Falkland where they broke into the house of Leslie Brown and stole food to the approximate value of \$25. Later they broke into the house of an Indian, Pete Gregory, on the Okanagan Reserve, and stole clothing valued at \$25. They pleaded guilty to the charges.

The sentence of Magistrate William Morley, of 14 days imprisonment for driving a motor vehicle under the influence of liquor, and ordered to pay a fine of \$10 by Magistrate J. Z. Parks of that city. Frank Smith, of Vernon, conducted the defense.

Peter Van dePutte, of Lumby, was granted judgment in a civil action against Paul and Dora Pakulias, of Rollings Lake, for the amount of \$545. The dispute arose out of the sale of chattels and land situated in the Vernon Assessment District.

Two naturalization proceedings were completed. Michael Kuran and Albert Regotta took the oath of allegiance as citizens of this country.

Judge Lennox granted the legal adoption of Emily Dixon, by Mr. and Mrs. Frank Boyne, of this city. Mr. and Mrs. William Laidlaw were granted full parental rights over Frederick William Elsey, Mr. and Mrs. Laidlaw are formerly of Vernon, now of Pincher Station, Alberta.

Uttoxeter wonder if they have a record in their British restaurant. Over 1000 diners a day are served, and during the eighteen months the British restaurant has been open they have not lost a knife, fork or spoon.

### "Constipation gone—this easy way"

"I'm delighted I found out about ALL-BRAN, for it ended my constipation woes. It rid me of taking nasty harsh purgatives—which never helped more than a day or so. Now, thank goodness, I'm ALL-BRAN 'regular'. I wouldn't miss eating this gentle-acting cereal for worlds."

It's natural, if you suffer from constipation due to lack of "bulk" in the diet, that you'll cheer for ALL-BRAN. It's so gentle and simple. All you do is eat KELLOGG'S ALL-BRAN—as a cereal or in several muffins every day—and drink plenty of water. This famous cereal helps to produce smooth-working "bulk", and prepare wastes for easy elimination. And once you know ALL-BRAN's relief, you'll want to eat it every day to stay regular. Remember, it's a cereal—not a medicine. Get ALL-BRAN today; at your grocer's; 2 handy sizes. Made by Kellogg's in London, Can.

### Trappers, Guides Meet in Kamloops

**KAMLOOPS, June 17.**—Leaving their trappings deep in the uninvited expenses, trappers gathered in Kamloops a few days ago for a meeting of the British Columbia Registered Trappers' Association, a body born in the Cariboo a year ago and now expanded to take in a major part of the province.

Meeting with the trapper were guides and outfitters; representatives of the cattlemen and sheepmen, who are vitally interested in the use of millions of acres of crown owned land; game officials including Commissioner J. C. Cunningham; and representatives of the Department of Indian Affairs, including Inspector James Coleman.

Chairman was Eric Collier of Kesteven Creek, president of the association.

Prime purpose of the meeting was to take steps to protect the trapping industry. Some animals, particularly beavers, are facing extinction, not through the regular trappers but through illegal trapping and trading. Demand for a system of tagging beaver skins was unanimous.

Extension of the tagging system to all fur, insectivores, and passing all pelts through a clearing house were suggested as remedies, but it was agreed to ask no more of the tagging of beaver at present and to watch the effectiveness of this.

It was felt that penalty for fur stealing should be more severe than the penalty for cattle stealing, and a minimum of \$500 or one year was asked for illegal possession or taking of fur. Cattlemen offered their full support, being anxious to preserve beavers for their beneficial effect on watersheds.

China's Pastor Robbed  
Rev. George Lim Yuen, formerly of Vancouver, was robbed of \$145 in American currency while traveling in China. He was traveling in the company of friends in Vancouver to Ann Harbor, Michigan, to attend the wedding of his son, Paul. No word has been received as to whether the minister recovered the money stolen.

### SAL—this soup is Super-Duper

ONE DISH everybody likes to start a meal with—especially a cold meal—is good hot soup. One soup nearly everybody goes for is Campbell's Chicken Noodle.

This soup, you see, is made the old-fashioned way. It starts with plump chickens—and is slow-simmered to a rich golden broth—just like folks made chicken noodle soup in the good old days. Then in go delicious morsels of tender, tasty chicken meat—and plenty of grand egg noodles.

By its taste you'd think Campbell's Chicken Noodle Soup came right from the soup kettle in an old-fashioned kitchen. It has that old-time wholesomeness too. Yes, for folks who need extra energy to keep up the pace of war-time work, this hale-and- hearty soup is just the thing.

Remember—this isn't just noodle soup—it's Chicken Noodle Soup—Look for the familiar Red-and-White Label.

**Hard at It For Prisoners of War**

Mrs. Cecil Merritt, wife of Canada's V.C. winner at Dieppe, inspects the articles that go into the 10,000,000th food parcel packed for prisoners of war by Canadian Red Cross volunteers in the Toronto plant, June 5. Present on this historic

occasion, left to right: Harold H. Leather, Chairman of the Canadian Red Cross Prisoners of War Food Parcels Committee; Mrs. Merritt; Major-General L. R. LeFleche, Minister of National War Services and Group Captain F. F. Tisdall.

**President Vernon W.I. Attends District Meet.**

Mrs. A. Welsh, 1944 president Vernon Women's Institute, was official delegate from this city to the District Convention of the W.I. held this year last Saturday at Salmon Arm. Attending from Vernon as visitors were Mrs. H. Cruse, Mrs. D. Butler and Mrs. M. Michalski.

The district comprises branches from Peachland to the South right through to Kamloops in the North. Every Institute was well represented, said Mrs. Welsh. Delegates

and guests were entertained at lunch by the Salmon Arm W.I. and for high tea by Canoe branch of the Institute.

**For the Bride**

RUTLAND, June 19.—On Saturday evening the home of Mrs. F. L. Fitzpatrick was the scene of a well attended "miscellaneous shower" in honor of Miss Madeleine Cudmore, whose marriage to Earl Hardie is to take place shortly. The bride-to-be was the recipient of many beautiful gifts. Mrs. D. H. Campbell was co-hostess for the affair.

**Four Members of Red Cross Corps Posted Elsewhere**

Honoring Miss Frances Burnie, Miss Anna Fulton, Miss Betty Baillie and Miss Kay Clarke, four of the original members of the Vernon Red Cross Corps, was a farewell party on Monday evening in the Officers' Club. The group is leaving this branch of the Corps for Red Cross work elsewhere. The affair was attended by members of the Vernon Corps branch and a few friends of the girls.

A presentation of leather make-up kits was made by Mrs. G. Davis, Commandant, No. 6 Detachment, Vernon, as a farewell remembrance. Refreshments were served later in the evening, a lace cloth covering the table, centred with red roses in silver bowls.

The Corps, organized immediately after the outbreak of war, holds weekly parades, except during the months of July and August. For almost five years, Miss Clarke has only missed two parades. She is on the staff of the City-Hall. The three other members of the group were on the teaching staff of Vernon Schools. Miss Fulton and Miss Baillie resigned a year ago, and since that time have taken Red Cross V.A.D. training and have been on the staff of the Vernon Military Hospital.

When scalding milk, stir while it is heating. If not stirred a coating of milk forms on the bottom and sides of the saucepan and this coating contains part of the precious calcium.

**OF INTEREST TO WOMEN****Beautiful Work Displayed By Chrysler Chapter IODE**

The display of knitting and sewing in the window of Campbell Brothers store on Barnard Avenue this week is attracting a great deal of comment. It is the work of the Chrysler Chapter, I.O.D.E., of an affiliated group from Okanagan Landing. High School girls under the direction of Miss B. Benton; and some made-over garments for the Polish Relief, under Mrs. S. Moore.

The service garments for men of the three services are beautifully made. Mrs. H. E. Denison is comfort's convener. Daintily in design, color and execution are the baby clothes, the work of High School girls; and, as a spectator remarked, "nice enough for anyone's children" are the sweaters, skirts and other items for British kiddies.

Warm, tidy and practical are the garments reconditioned for the Polish Relief, a project undertaken by the Chapter. The work entailed has meant hours of application by faithful members and interested friends, the executive in Vernon is distressed that they have so few workers. Supplies are to be had in abundance from Vernon work rooms; all they ask are willing fingers. The need now is more urgent than ever before, and the committee asks that citizens realize the importance of this call.

Anyone who will take materials for summer work is asked to contact either Mrs. R. Fitzmaurice, Regent, or Mrs. R. N. Chambers, secretary, by telephone.

**Coupons Good Today, June 22**

Butter coupons 66 and 67 become valid on Thursday, June 22. Tea-coffee coupon T-35 also falls due on that date. Each butter coupon is good for half a pound of butter; the tea-coffee coupon is good for one pound of coffee or one-quarter pound of tea. If the consumer wishes to get both commodities, she may obtain on ONE coupon eight ounces of coffee AND two ounces of tea.

**Interest in Devotional Exercises Shown by W.C.T.U.**

At the W.C.T.U. meeting held on June 19 at the home of Mrs. W. F. Hamelin, Vernon, reports of the W.C.T.U. Convention held recently in Kelowna were given.

The report of Mrs. W. Wright showed the interest of the Union in devotional exercises continues side by side with the temperance motive.

The Union decided to ask moving picture corporations to produce films especially suitable for children. Suggestions for such pictures included travel, nature, industry, adventure, news and the always popular Walt Disney cartoons.

For her wedding trip, Mrs. Townsend donned a three-piece ensemble in lime green, comprising a dressmaker suit and matching Chesterfield coat, small white sailor hat with black veil and white accessories. As a farewell gesture she threw her bouquet, caught by Miss "Toody" Hudson.

Out-of-town guests who attended the rites were Constable and Mrs. W. H. Oils, of Kelowna, and their little daughter, "Baby Beth"; Mr. and Mrs. Cam Gordon, Jimmy and Donald of Mabel Lake. Lieut. and Mrs. Townsend were in Vernon for two days at the beginning of the week, prior to leaving for Eastern Canada.

**Merkley - Johns**

RUTLAND, June 19.—A wedding of local interest took place at Okanagan Mission on Wednesday last when Miss Natalie Johns, daughter of that district became the bride of Tom Merkley, son of Mrs. Mabel Merkley of Rutland, the groom recently returned from overseas where he served the loss of a leg. The couple will reside in Rutland after returning from the honeymoon.

**WOMEN'S RED CROSS WAR WORK**

Now that the great invasion of Europe has begun, news will be gradually filtering through of relatives of Vernon and district residents who are prisoners of war. The Red Cross Society is especially active among prisoners, doing much to alleviate the loneliness and privation of life behind barbed wire. The diet allowed them is of the most restricted variety, and hundreds of acknowledgments of food parcels tell of the enthusiasms with which they are received.

Mrs. Reta Myers was in Vernon last week and is now engaged in Red Cross work after 20 years in a newspaper office. She said, in interview, that "Captivity parcels are an important part of the output of the Women's War Work committee of the Canadian Red Cross Society. With increasing numbers of prisoners of war being reported, additional donations have been made for parcels. The committee is co-operating in making the articles which go into these packages."

This is the first parcel a service man receives after being taken prisoner, said Mrs. Myers, and its arrival assures him that his whereabouts is known and that from now until he is released, he will be looked after by the Red Cross Society. The present quota for such items from B.C. is 1,000 flannel pajamas, 1,000 washcloths and 1,000 handkerchiefs. Just recently 2,000 "hussies", donated by B.C. branches were shipped from the division warehouse.

"Busy fingers have been flying the past month, as workers have turned out large quantities of knitted and sewn articles. Already the halfway mark for grey knitted socks has been passed, \$300 of the 15,000 year's quota having already been completed," she said. Also finished is the service knitting quota for airforce socks and khaki knitted sleeveless sweaters and the first quota for the Women's Auxiliary services of knitted articles, with a few exceptions of khaki items has been completed and is being shipped this month.

Mrs. Myers' headquarters are in Vancouver. In Vernon, it has been announced that the rooms for materials and make them up at home.

All rubber goods are perishable and hard to replace nowadays. They will last longer if kept clean, dry, unwrinkled, cool and in a dark place.

**Mrs. R. A. Ferguson Entertains Friday At Post-Nuptial Tea**

Mrs. R. A. Ferguson was hostess at a post-nuptial tea following the marriage of her daughter, Miss Elizabeth Anne Ferguson to Lieut. J. Townsend, last Friday afternoon.

The rooms were decorated with summer flowers, and guests, numbering 25, viewed the wedding gifts. The table, decorated in white and pink, was centred with the wedding cake. Presiding at the urns were Mrs. H. H. Evans and Mrs. Frank Boyne.

**Falkland Girl Honored in Family Party on Prairie**

Mr. and Mrs. George Close of Coleville, Sask., entertained 36 guests at their home on June 14 in honor of Mrs. Margaret Phillips of Falkland, sister Mrs. Pearl Fraser of Forest, Ont., and Dr. Parsons, a brother-in-law of Forest, Ont.

There were six brothers and sisters of the Close family present: Pearl, of Forest, Ont.; Margaret, of Falkland; Eleanor, of Kerrobert; Hector, of Dodsland; Henry, of Beaufield; and George of Coleville. The gathering was an informal one, all being relatives of the honoree.

A resident up the Coast, who is a fisherman for income but a prospector for recreation, says that his brother and himself can consume a case of Pacific Milk in about two weeks during the big salmon runs. They cook but little and live largely on coffee with much Pacific Milk per cup.
